Camp Halsey Boys to Broadcast Tonight

Musical organizations from Camp Halsey will be featured in a broadcast over station KARK, Little Rock, tonight from 6:15 to 7:15 o'clock. The program will be a display of all musical talent in Camp Halsey, and will include practically every type of music.

The program will include dance selections by the Five Funsters, vocal selections by the glee club, hill-billy harmony by the Ridgerooters, harmonica by Carlos Matthews and close harmony by the Halsey quartet.

The Five Funsters have been featured many times in a regular Wednesday afternoon broadcast, but this is the first time that a complete display of talent in Camp Halsey has been made.

Celebrating the return of Capt. T. T. King to camp, Company 1706 entertained with a picnic and dance last Friday. The picnic was held at Bennett park near Camp Halsey. After the swimming party supper was served on the lake shore. Members and guests then went to Conway to the national guard armory where a dance was held. Guests included Chaplain and Mrs. Abbott of Little Rock, and Miss Nell Smedley of Poteau, Okla. Music for the dance was furnished by the Five Funsters.
